TO PLAINTIFFS AND THEIR ATTORNEYS OF RECORD:

PLEASE TAKE NOTICE that, pursuant to Rule 201 of the Federal Rules of Evidence, Defendant City of Los Angeles (“Defendant”) respectfully requests that the Court take judicial notice of the following two documents:

1. Los Angeles Municipal Code Section 56.11(“LAMC 56.11”), a true and correct copy of which is attached hereto as **Exhibit 1**. Courts routinely take judicial notice of municipal ordinances, which are proper subjects for judicial notice. *See Tollis Inc. v. County of San Diego*, 505 F.3d 935, 937 n.1 (9th Cir. 2007) (“Municipal ordinances are proper subjects for judicial notice.”) (citation omitted).

In addition, this document is the proper subject of judicial notice because a court may take judicial notice of matters of public record. *See Khoja v. Orexigen Therapeutics, Inc.*, 899 F.3d 988, 999 (9th Cir. 2018) (“[a] court may take judicial notice of matters of public record without converting a motion to dismiss into a motion for summary judgment.”) (citation omitted).

Moreover, a court may take judicial notice of documents extensively referenced in the complaint, where the complaint necessarily relies on them, and neither party questions their authenticity or relevance. *See In re Apple Inc. Device Performance Litig.*, 386 F. Supp. 3d 1155, 1166 (N.D. Cal. 2019) (taking judicial notice of documents referenced in the complaint, where the complaint necessarily relied on the documents, and neither party questioned their authenticity or relevance). In ruling on a motion to dismiss, a court may properly consider documents that are referenced in a complaint, even where those documents are not physically attached to the complaint. *See Parrino v. FHP, Inc.*, 146 F.3d 699, 706 (9th Cir. 1998) *superseded by statute on other grounds, as stated in Abrego v. Dow Chem. Co.*, 443 F.3d 676, 681 (9th Cir. 2006).

2. Los Angeles Municipal Code 56.11 Standard Operating Protocols, amended as of September 2018, a true and correct copy of which is attached hereto as **Exhibit 2**.

1 This document, which was promulgated by the designated administrative
 2 agency, Los Angeles Bureau of Sanitation, is the proper subject of judicial notice
 3 because a court may take judicial notice of matters of public record, including
 4 documents issued by a public agency. *See Khoja v. Orexigen Therapeutics, Inc.*, 899
 5 F.3d at 999; *see also Mays v. Wal-Mart Stores, Inc.*, 354 F. Supp. 3d 1136, 1142 n. 1
 6 (C.D. Cal. 2019) (taking judicial notice of documents that were either issued by or filed
 7 with a public agency and therefore matters of public record appropriate for judicial
 8 notice).

9 It is also appropriate to take judicial notice of the Los Angeles Municipal Code
 10 56.11 Standard Operating Protocols because, as set forth above, a court may take
 11 judicial notice of documents that are extensively referenced in the complaint, relied
 12 upon by the complaint, and the authenticity and relevance of which neither party
 13 disputes. *See Parrino v. FHP, Inc.*, 146 F.3d at 706, *superseded by statute on other*
 14 *grounds, as stated in Abrego v. Dow Chem. Co.*, 443 F.3d 676, 681 (9th Cir. 2006); *see*
 15 *also In re Apple Inc. Device Performance Litig.*, 386 F. Supp. 3d at 1166.

16 Accordingly, Defendant respectfully requests that the Court take judicial notice
 17 of the documents herein.

Los Angeles Municipal Code

SEC. 56.11. STORAGE OF PERSONAL PROPERTY.**(Amended by Ord. No. 184,182, Eff. 4/11/16.)**

1. **Declaration of Legislative Intent - Purpose.** The City enacts this section to balance the needs of the residents and public at large to access clean and sanitary public areas consistent with the intended uses for the public areas with the needs of the individuals, who have no other alternatives for the storage of personal property, to retain access to a limited amount of personal property in public areas. On the one hand, the unauthorized use of public areas for the storage of unlimited amounts of personal property interferes with the rights of other members of the public to use public areas for their intended purposes and can create a public health or safety hazard that adversely affects those who use public areas. On the other hand, the City's large and vulnerable homeless population needs access to a manageable amount of essential property for their personal use and well-being. This section attempts to balance the needs of all of the City's residents.

2. **Definitions.** The definitions contained in this subsection shall govern the construction, meaning and application of words and phrases used in this section.

(a) **"Alley"** means any Highway having a Roadway not exceeding 25 feet in width which is primarily for access to the rear or side entrances of abutting property.

(b) **"Bikeway"** means all facilities that provide primarily for, and promote, bicycle travel.

(c) **"Bulky Item"** means any item, with the exception of a constructed Tent, operational bicycle or operational walker, crutch or wheelchair, that is too large to fit into a 60-gallon container with the lid closed, including, but not limited to, a shed, structure, mattress, couch, chair, other furniture or appliance. A container with a volume of no more than 60 gallons used by an individual to hold his or her Personal Property shall not in itself be considered a Bulky Item.

(d) **"City Employee"** means any full or part-time employee of the City of Los Angeles or a contractor retained by the City for the purpose of implementing this Section.

(e) **"Essential Personal Property"** means any and all Personal Property that cumulatively is less than two cubic feet in volume, which, by way of example, is the amount of property capable of being carried within a backpack.

(f) **"Excess Personal Property"** means any and all Personal Property that cumulatively exceeds the amount of property that could fit in a 60-gallon container with the lid closed.

(g) **"Highway"** means a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel.

(h) **"Parkway"** means the area of the Street between the back of the curb and the Sidewalk that typically is planted and landscaped.

(i) **"Person"** means any individual.

(j) "**Personal Property**" means any tangible property, and includes, but is not limited to, goods, materials, merchandise, Tents, tarpaulins, bedding, sleeping bags, hammocks, personal items such as household items, luggage, backpacks, clothing, documents and medication.

(k) "**Public Area**" or "**Public Areas**" means all property that is owned, managed or maintained by the City, except property under the jurisdiction of the Department of Recreation and Parks which is governed by Los Angeles Municipal Code Section 63.44, and shall include, but not be limited to, any Street, medial strip, space, ground, building or structure.

(l) "**Roadway**" means that portion of a Highway improved, designed or ordinarily used for vehicular travel.

(m) "**Sidewalk**" means that portion of a Highway, other than the Roadway, set apart by curbs, barriers, markings or other delineation, for pedestrian travel.

(n) "**Storage Facility**" means any facility, whether operated by a public, non-profit or private provider, which allows and has capacity for voluntary storage, free of charge, for a homeless person to store Personal Property up to the equivalent of the amount of property that would fit into a single 60-gallon container with the lid closed.

(o) "**Store**", "**Stored**", "**Storing**" or "**Storage**" means to put Personal Property aside or accumulate for use when needed, to put for safekeeping, and/or to place or leave in a Public Area. Moving Personal Property to another location in a Public Area or returning Personal Property to the same block on a daily or regular basis shall be considered Storing and shall not be considered to be removing the Personal Property from a Public Area. This definition shall not include any Personal Property that, pursuant to statute, ordinance, permit, regulation or other authorization by the City or state, is Stored with the permission of the City or state on real property that is owned or controlled by the City.

(p) "**Street**" includes every Highway, avenue, lane, Alley, court, place, square, Sidewalk, Parkway, curbs, Bikeway or other public way in this City which has been or may hereafter be dedicated and open to public use, or such other public property so designated in any law of this state.

(q) "**Tent**" means a collapsible shelter made of fabric such as nylon or canvas or a tarp stretched and sustained by supports, which is not open on all sides and which hinders an unobstructed view behind or into the area surrounded by the fabric. In order to qualify as a Tent for purposes of this subsection, a Tent, when deconstructed, must be able to fit within a 60-gallon container with the lid closed.

(r) "**Unattended**" means no Person is present with the Personal Property who asserts or claims ownership over the Personal Property. Conversely, property is considered "**Attended**" if a Person is present with the Personal Property and the Person claims ownership over the Personal Property.

INTRODUCTION

The City of Los Angeles is responsible for the maintenance of sidewalks and other public areas owned, managed or maintained by the City. These public areas must remain safe, clean, sanitary and accessible for public use by all individuals. To promote general public health and safety of all public areas, while balancing the needs of the City's population, at all levels, the City recently made amendments to the City of Los Angeles Municipal Code (LAMC) 56.11 to regulate any personal property disposed, left or stored in public areas.

These protocols outline the operating guidelines, designation of tasks, and scope of work for regulating the storage of personal property in public areas and the allowance for the impoundment of such property, after the provision of notice, as provided for in LAMC 56.11.

BACKGROUND

LAMC 56.11 regulates storage of property on the City's public right-of-way, defined by LAMC 56.11 as including sidewalks, alleys, and streets. The Ordinance's Declaration of Legislative Intent states, in part, that the unauthorized use of public areas for the storage of personal property interferes with the rights of other members of the public to use public areas for their intended purposes and can create a public health or safety hazard that adversely affects residential and commercial areas. The purpose of LAMC 56.11 is to maintain public areas in clean, sanitary and accessible condition for all.

DESIGNATED ADMINISTRATIVE AGENCY, LAMC 56.11.11

Los Angeles Sanitation (LASAN) serves as the Designated Administrative Agency ("DAA") under the ordinance. The DAA shall promulgate rules, protocols and procedures for the implementation and enforcement of this ordinance, consistent with the provisions herein. The DAA is authorized to make administrative and ministerial revisions to these protocols, and/or forms and posting notices as needed to address unanticipated scenarios or any amendments to LAMC 56.11 or applicable codes or statutes.

LEAD DEPARTMENT: LASAN

PRIMARY SUPPORT: LAHSA or OHSP

SECONDARY SUPPORT: LAPD, BSS, GSD, LADOT, RAP

Homeless Encampment Clean-up Authorization Protocol

Step #1 – REFERRAL: LASAN will initiate the Homeless Encampment clean-up authorization process by verifying the encampment and its location including City owned, managed, or maintained property, and by taking photographic evidence of the location. LASAN will then submit the information into a Homeless Encampment data management system. The required information fields consist of, but are not limited to the following:

1. Address and/or cross street locations of the homeless encampment (or closest address);
2. Description of the encampment(s), including photographs of the encampment;
3. Additional location description (i.e. alley, under bridge, on overpass, etc.),
4. Date location visited /assessed.

Step #2 – LAHSA AUTHORIZATION: Outreach to the homeless individuals in the area will be conducted by the Los Angeles Homeless Services Authority (LAHSA) or Other Homeless Service Provider (OHSP) to inform the homeless residents of the upcoming clean-up efforts and the requirement to relocate both themselves and their possessions from the clean-up areas prior to the clean-up date/time. During these visits, LAHSA or the OHSP shall offer available assistance and social services to the homeless in the designated area. Upon completion of the visits, LAHSA will sign off on the authorization.

Step #3 – LASAN – CHIEF ECO Authorization: Once LAHSA or OHSP has signed off, the authorization shall be reviewed and approved by the LASAN –Chief Environmental Officer, or his/her designee.

Step #4 – BOARD OF PUBLIC WORKS AUTHORIZATION: The President of the Board of Public Works or designated commissioner shall review and approve the clean-up. The authorization is valid for up to 90 days from BPW approval or through completion of the clean-up at the location, whichever comes first.

Step #5 – HOMELESS ENCAMPMENT CLEAN-UP SCHEDULING: LASAN shall program and schedule encampment clean-ups.

Step #6 – NOTICING: As required in Procedure #3, a notice will be posted at the clean-up location a minimum of 24 hours in advance of the clean-up date/time (See Appendix 1). The posted notice shall be photographed by LASAN to document the notification of the pending clean-up. The Notice shall be valid for only 72 hours from posting. If the encampment clean-up cannot commence within 72 hours from posting, then a new posting must re-occur before the clean-up may commence.

Step #7 – DOCUMENTATION: The Designated LASAN Employee overseeing the clean-up shall document the clean-up, health hazard assessments and impounded property.

PROCEDURE #3 – Public Area Cleaning

A public area clean-up is a cleaning performed when an area is identified as having unsafe or poor health conditions. If there is a Homeless Encampment in the area, the following protocol will be followed, after authorization is approved in accordance with **Procedure #2**.

LEAD DEPARTMENT: LASAN

PRIMARY SUPPORT: LAPD

SECONDARY SUPPORT: LAHSA or OHSP, BSS, GSD, LADOT, LAFD, RAP

Public Area Cleaning Protocol:

Step #1 – The LASAN Coordinator shall verify the Homeless Encampment Clean-Up Authorization is approved. Once approved the LASAN Coordinator shall coordinate the notice postings and clean-up date/time.

Step #2 – The Designated LASAN Employee, shall post the notice (See Appendix 1) at the clean-up location a minimum of 24 hours in advance of the official clean-up date/time and the clean-up shall commence no later than 72 hours after posting. The notice should be photographed as documentation.

Step #3 – Prior to commencing the clean-up, if LASAN is made aware that there is no available capacity for involuntary storage, LASAN will not proceed with the removal of personal property.

Step #4 – At the time of arrival, if it is raining and/or the temperature is below 50 degrees Fahrenheit, LASAN shall consider whether to postpone the clean-up after consultation with LASAN Management.

Step #5 - City crews from LASAN and LAPD shall meet at each clean-up location and conduct a safety meeting. LASAN shall be the lead agency for the clean-ups, including closing that portion of the sidewalk and adjoining street necessary to effectuate the clean-up. LAPD may provide site security and traffic control for the clean-up teams. All individuals in the clean-up area will be given up to **15 minutes** to take their Personal Property and vacate the area. If the person(s) is physically or mentally-impaired and incapable of effectuating the removal of their personal property, LAHSA or OHSP will be contacted to assist.

Step #6 – A Designated LASAN Employee shall inspect all property left in the clean-up area for health and safety hazards. PROCEDURE #11**SPECIAL ENFORCEMENT ZONES FOR BULKY ITEMS**

Certain areas of the City are subject to heavy human and vehicular congestion, exacerbating the potential public safety hazards caused by Bulky Items in Public Areas.

To protect the public health and safety, a discrete area that is subject to heavy human and vehicular congestion exacerbating the potential public safety hazards can be designated a Special Enforcement Zone for Bulky Items. To the extent resources are available; the following protocol will be used for the enforcement of Bulky Items in the Special Enforcement Zone.

Bulky Item: In accordance with LAMC 56.11-3(i) a Bulky Item in a Public Area is defined as any item possessing size and/or shape which will not allow the item to fit into a 60 gallon receptacle with the container lid closed. Bulky Items generally include, but are not limited to, mattresses, appliances, furniture, shed, structures, non-operational bicycles and construction materials. Bulky Items do not include Tents, wheelchairs, and a container of a volume not exceeding 60 gallons, crutches and bicycles, if operational.

For purposes of this procedure, Bulky Items include, but not limited to, food and vending carts or tables.

NOTICE

SPECIAL ENFORCEMENT ZONES FOR BULKY ITEMS

Certain areas of the City are subject to heavy human and vehicular congestion, exacerbating the potential public safety hazards caused by Bulky Items placed, stored, or illegally dumped in Public Areas. In accordance with LAMC 56.11-3(i), a Bulky Item in a Public Area is defined as any item possessing size and/or shape which will not allow the item to fit into a 60-gallon receptacle with the lid closed. Bulky Items generally include but are not limited to, mattresses, appliances, furniture, shed structures, non-operational bicycles, and vending carts.

On April 18, 2018, the Los Angeles City Council passed motion, Council File No. 13-1493 to establish “**Special Enforcement Zones**” in which vending carts are prohibited on the public right-of-way. Under LAMC 56.11, it is illegal to store “bulky items” such as vending carts on City property. Any vending cart which is deemed in non-compliance of LAMC 56.11 will be removed by the City and placed into storage for 90 days. All perishables, trash, and hazardous materials associated with the vending cart will be disposed. The owner(s) of the vending cart can reclaim the cart by contacting the Los Angeles Bureau of Street Services at counter at 1149 S. Broadway, M-F from 7 a.m. to 3:30 p.m. If the vending cart remains unclaimed during the 90-day storage period, the vending cart will be discarded. For additional information, please call (213) 847-6000.

PROCEDURE #12**Special Enforcement Zones around Temporary Homeless Shelters**

In April 2018, the Mayor and the City Council declared an emergency shelter crisis and included funding in the City's FY 2018-19 budget to support the construction of emergency shelters Citywide as part of a program called A Bridge Home (ABH). As part of ABH, once a shelter is opened and placed in service, in collaboration with the Council Offices, enhanced cleaning will be implemented by LASAN in the defined zone around the shelter and the area where the homeless population for the shelter was housed.

City residents may be reluctant to embrace the opening of a temporary homeless shelter (THS) in their neighborhood due to the fear of spill-over encampments and sidewalk blockages in the area adjacent to a THS. To encourage the placement of a THS in an area of need in the City, discrete areas surrounding a newly sited THS may receive special enforcement priority under Los Angeles Municipal Code (LAMC) Section 56.11. At the written request of the Mayor's Office or a Council Office, declaring any discrete area to be a THS Special Enforcement Zone ("THS Zone"), the following protocol will be used for the enforcement of Section 56.11 in the THS Zone.

LEAD DEPARTMENT: LASAN

PRIMARY SUPPORT: LAHSA, LAPD

Before the opening of a new THS, the City will post permanent signs in the designated area surrounding the THS, providing notice of the enhanced enforcement protocols for the THS Zone. The City also will post temporary signs disclosing when the enhanced enforcement of Section 56.11 will commence. In addition, prior to the opening of the THS, the surrounding area will receive more outreach to homeless persons in the area from the Los Angeles Homeless Services Authority (LAHSA) or other homeless service providers.

Further, commencing 90days prior to the opening of the shelter and continuing for 30 days after the opening of the shelter and in collaboration with LAHSA's outreach team and other city partners, LASAN will limit the comprehensive cleaning that requires the relocation of the homeless population to those activities related to addressing health hazards and any access and Americans with Disabilities Act (ADA) compliance. 30 days after the opening of a THS, LASAN will implement enhanced cleaning and compliance with LAMC 56.11 within the designated and affected zone five days a week. Compliance and rapid response as part of the Homeless Outreach and Proactive Engagement (HOPE) program will be conducted four days a week. Comprehensive cleaning will be conducted once every week. The schedule will vary by location and will be posted in the THS Zone. The standards for this effort will be documented as part of Protocol No. 12 of the LAMC 56.11 protocols that will be adopted by LASAN as the Designated Administrative Agent.

Protocols for THS Enforcement Zones.

Step #1 - After the siting of a THS but before the opening of a THS, the City will post permanent signs in the designated area surrounding the THS, providing notice of the

enhanced LAMC Section 56.11 enforcement protocols for the THS Zone. The permanent signage will be consistent with Appendix 6.

Step #2 – Prior to the opening of a THS, the City will post temporary signs in the designated area surrounding the THS, providing notice of the date on which the City will begin enhanced enforcement of L.A.M.C. 56.11 in any area declared to be a Special Enforcement Zone. The temporary signage will consistent with the sign attached as Appendix 6.

Step #3 – Prior to the opening of a THS, the City will facilitate through LAHSA or another homeless service provider outreach to homeless persons in the designated THS Zone.

Step #4 – Commencing 90 days prior to and continuing for 30 days after the opening of the THS, LASAN will collaborate with LAHSA to limit all cleanings to those related to public health and safety along with access and ADA restrictions. Cleaning will be done without relocating the unsheltered homeless population unless necessary. Any necessary cleaning that requires the relocation of the unsheltered homeless will be coordinated with the LAHSA.

Step #5 – Beginning 30 days after the opening of a THS, the THS Zone will be comprehensively cleaned once a week, following Procedures # 2, 5, 7, 8, 9 and 10. HOPE Operations will be conducted four days per week.

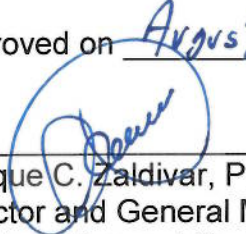

Step #6 – Beginning 30-days after the opening of a THS, the provisions of LAMC 56.11 will be strictly enforced in the THS Zone, including without limitation:

- Removing and storing of Excess Personal Property (more than 60 gallons per person) (LAMC Section 56.11-3(a)-(b));
- Ensuring adequate clearance on public sidewalks to comply with the ADA (LAMC Section 56.11-3(c));
- Ensuring the accessibility of entrances, exits, driveways and loading docks (LAMC Section 56.11-3(e));
- Removing and disposing of items that constitute a threat to public health or safety (LAMC Section 56.11-3(g));
- Removing and disposing of Bulky Items (LAMC Section 56.11-3(i)); and
- Requiring the deconstruction of tents between 6:00 a.m. to 9:00 p.m., weather permitting (LAMC 56.11-7).

This Protocol will be coordinated through the City's Unified Homeless Response Center (UHRC).

This protocol will be amended to LAMC 56.11 Protocols signed on April 7, 2016 and will be effective on August 6, 2018.
